**Skipping Training**

On Friday I travelled to Melton with Miss Fillmore, Deb, Viv and Neil and our skipping team for a training day. I am not surprised that the skippers said they had sore legs on Saturday morning! They skipped all day taking a break for recess and lunch only. It was great to have the expertise of two people who have worked with the Australian team and were able to demonstrate skills and then support our students to learn them. The growth in their skills during the day was amazing. Well done to them all for persevering and trying actions that were very difficult.

**Drop off Concern**

It has been brought to my attention that younger siblings are being left in cars when parents are bringing their children into the school. In Victoria it is illegal to leave a child unattended in a vehicle under the Children, Youth and Families Act (2005). The penalties for leaving a child unattended in a vehicle in Victoria include: a fine currently $3,690 or a maximum of 6 months jail. I would not like this to happen to any of our families.

**Cross Country**

Many students elected to run in the Cluster Cross Country at Eildon yesterday. It is not an activity that all enjoy so students were asked to choose if they wanted to participate. I know many students have been doing additional training at home which is great. Mr Fisher and I have been training with them at lunchtime and we proud of how well they performed in the races this week.

**Anzac Service**

Holly and Tobias our School Captains will be travelling to Melbourne today with representatives from all schools in the area to participate in a special ANZAC service in Melbourne. It will be an amazing experience being the 100 Year Anniversary, which is being acknowledged so much in the news this week. The Yea service is always good to attend but this year will be extra special. I encourage all students to attend with their families to acknowledge our gratitude for all those who have fought to keep our country and its people safe and free.

**Sporting Schools**

Terry began Sporting Schools on Monday after school with 25 students who enjoyed playing soccer. The Friday recess group will be lawn bowls for Grades F – 2 and lunchtime with 3-6 the same activity. Bowls is a lot of fun and in the past has been enjoyed by our students.

**155 Celebration Paver**

LAST CHANCE TO BUY A PAVER with you or your family name on it as part of our 155 Years of State Schools in Yea Celebration. The pavers will be located in the seating area in the front garden at Yea P.S. for all to admire for years to come. An application form will be sent home today.

Thank you,
Deb

Disco Bingo puts the DISCO into BINGO and the fun into a boring Friday night,

It’s just like regular bingo, but instead of shouting out numbers we play songs!
Bingo without the balls!

No 'Dancing Queen 17', just the music...
