QUANTAM
What a pleasure to take all our students to QUANTAM last week. They were all so engaged in their learning and were able to articulate the scientific concepts that were being taught. The staff at the centre are very experienced and go to great lengths to support our students’ learning. It is a fabulous educational centre as it is totally about science so the equipment is amazing. For many Foundation students the trip on the bus was a highlight! Thank you to Mrs U who organised the two days and will plan for us to visit again in 2017.

Yea Show
Rodney Ridd from the Yea Show committee is looking for a person or two to judge the Pet Show section and the Decorated Bikes. It would be a lovely community role and he is hoping that someone in our school community will volunteer. The Show is on the 26th November, please contact Rodney on 5797 6284 if you can support this local event.

School Uniform
Thank you to those families who have made an effort to dress their children in full school uniform. There are still some who are wearing non uniform hoodies, coats, vests and summer uniform with leggings or trousers underneath. The uniform shop is open on Tuesdays and Thursdays before and after school. We are proud of our school and a neat and correct uniform reflects this to the school and wider community.

Foundation Information Evening
This Thursday the 9th June Sal, Susie and others will be sharing with Kinder parents lots of information about our school and how the seven years at Yea PS look and feel for our students. The session begins at 6pm until 7pm and there is child care available.

Federal Election
Voting for the Federal Election will take place in our Multipurpose Room on Saturday 2nd July which is during the school holidays. This is a great opportunity for us to do some fundraising so Amanda Jolly has organised a Wood Raffle and a stall selling sausages in bread and hot soup with a herb scone throughout the day. Raffle tickets are being sent home today with every family. Please let us know if you are able to help out on the day.

Thanks

Passion Projects will be on Thursday 28th July

This year Passion Projects will be on books again, all students will be asked to make a presentation about their favourite book; this could be a story book, an author or a non-fiction book or subject. The presentation can take the form of a PowerPoint presentation, a book review or a poster. Students can dress up as a character or as the author but the main goal of the exercise is to speak for no more than 3 minutes about your book. Students have more than 6 weeks to prepare their presentation, and hopefully this could be a winter holidays’ task. This is a fun project that gives students a chance to practice their speaking and listening skills as well as sharing their interests with others.

All students will present a Passion Project of their own choice, the presentation needs to go for about 2 to 3 minutes, and some example topics could be Harry Potter books, a Paul Jennings story, a book about trucks, Australian animal information, science fiction, Australian Explorers. Etc. This is a home project, whilst we love parents to help source materials we would like students to do their own preparation. Each classroom will be covering public speaking skills and I have attached some tips for a great presentation. Public speaking can be challenging for some but a great achievement for all, please support your child with this venture.

Sal Phillips

All students will present to parents in multi–age family groups, so keep 11:30-1:30 pm free on Thursday 28th July.
Passion Projects - tips for a great presentation

Here are some ideas for students to keep in mind when they are preparing and practicing their Passion Project.

**Preparedness**
Student is prepared and has obviously rehearsed.

**Posture and Eye Contact**
Student stands up straight, looks relaxed and confident. Establishes eye contact with audience during the presentation.

**Stays on Topic**
Stays on topic all of the time.

**Volume**
Volume is loud enough to be heard by all audience throughout the presentation.

**Enthusiasm**
Facial expressions and body language generate interest and enthusiasm about the topic.

**Props**
Student uses props that show work/creativity and which make the presentation better. This might be the book, a poster or a photo, etc.
