Protecting the safety and wellbeing of children enrolled at Yea Primary School is our highest priority. Families put their trust in the leadership, staff, volunteers and external providers to keep their children safe as they learn. We know students learn best when they feel they are in a safe and supportive environment.

Principal's Report

Reports

Individual reports for all students will be available for collection from Reception on Friday 21st June. Families with more than one student will need to ask for the envelope for their eldest child. The teachers have spent many long hours testing and writing an accurate account for all families. We make sure you have the report before the interviews so that any questions or concerns can be discussed at the interview. Each interview is allotted 15 minutes, if a parent or the teacher feels they need more time a mutually convenient time will be arranged early in Term 3. The interviews are on the 25th, 26th & 27th June. I have sent home a note with interview times for all families, if yours gets lost in transit please call me for your time.

Somers Camp

Our region is offered positions for Somers Camp every two years. This year some Grade 5/6 students will be offered a position to attend this camp on the 5th November to 13th November. The cost to families will be \$250. Very soon I will be sending home letters for parents to nominate their child for this camp. If we are over our allocated number a ballot will be held. It is a fabulous camp and a wonderful experience.

Prep Information 2020

Teachers will be presenting information to prospective families for Prep 2020 tomorrow (Thursday 20th June) at 6-7pm. We will be providing childcare for children so that parents can concentrate on the shared information and discussion. At the conclusion of the session we give all families a tour of the school.

Thanks

Deb

Maths fun!

Are there any parents or friends out there who enjoy
maths and would like to do some fun maths extension?
We need some extra helpers in the next 2 months to
prepare grades 3-6 kids for the Maths Comp at the
start of August. The maths problems are fun and
engaging - and just need people to work through them
one on one with individual kids.

If you have an hour every week or fortnight (preferably
on a Thursday but other days possible), please let Zanni
know via the school office. Thanks!

YPS Parents & Friends Update June 2019

Term 2 is nearly over, the year is flying !

so many more fun activities to organise this year

- * Be Kind Day
- * Mums/Dads/Caregivers Thank You Breakfast/Morning Tea
- * Fathers Day Stall
- * Family Games Night
- * More Camp Slide Nights

Don't be afraid to get involved, as much or as little as you can, it all helps :-) we would love to meet you !

Thank you to our superstar Parents & Friends for their contributions to the recent Mothers Days Stall, Election Day Fundraiser & Rotary Dinners. These events bring happiness to our students who could take home a gift to their special person on Mothers Day and other events build friendships between families and school while also raising much needed funds for our wonderful students.

Enjoy a great Term break, keep warm and see lots of you at

Our Next Meeting: July 17th, Lunchtime @ School
