Protecting the safety and wellbeing of children enrolled at Yea Primary School is our highest priority. Families put their trust in the leadership, staff, volunteers and external providers to keep their children safe as they learn. We know students learn best when they feel they are in a safe and supportive environment.

Principal's Report

Welcome

Liesel Male will be at Yea PS this week for Work Experience, which is a part of her Year 10 syllabus. She is spending time in various grades to experience what teaching entails.

Football and Netball

On Sunday I enjoyed watching many of our students represent Yea Tigers at Seymour. It was an extremely cold and wet day for all football and netball players. I was most impressed with their perseverance and teamwork in such trying conditions.

Uniform

This week most students are wearing school uniform, which is great and they all look very smart. If you are missing jumpers, there are many unnamed ones in lost property. A good place to mark with a name is behind the Yea PS logo.

Report collection

We had planned to have reports for all students ready for collection on Thursday 21st June. However, we are having trouble with the staff at SENTRAL in Melbourne transferring students' growth data from 12 months ago onto the report format. We will send emails and put on Facebook when reports are ready for collection. This delay is out of our hands.

Parent /Teacher interviews

I have received request times from most families. If a family did not nominate a time, I have allocated a time I hope works. If not please give me a call and I can suggest an alternate time.

Cross Country

On Wednesday 20th June, Josh Porter and Riley Frankcombe will be travelling to Winton Motorway to participate in the Regional Cross Country event. This is an amazing effort and we all wish them well.

Thank you

Passion Project 2018

BOOKS/Interests

Passion Projects will be on

Thursday 2nd August

This year Passion Projects will be on books or favourite interest/passion, all students will be asked to make a presentation about their favourite book/ interest; this could be a story book, an author or a non-fiction book or subject. The presentation can take the form of a PowerPoint presentation, a book review or a poster. Students can dress up as a character or as the author but the main goal of the exercise is to speak for no more than 3 minutes about your book , then answer questions about your topic. Students have more than 8 weeks to prepare their presentation, and hopefully this could be a winter holidays' task. This is a fun project that gives students a chance to practice their speaking and listening skills as well as sharing their interests with others.

All students will present a Passion Project of their own choice, the presentation needs to go for about 2 to 3 minutes, and some example topics could be Harry Potter books, a Paul Jennings story, trucks, Australian animal information, science fiction, planets, Australian Explorers. etc. **This is a home project**, whilst we love parents to help source materials we would like students to do their own preparation. Each classroom will be covering public speaking skills and I have attached some tips for a great presentation. Public speaking can be challenging for some but a great achievement for all, please support your child with this venture.

Sal Phillips

All students will present to parents in multi-age family groups, so keep 11:30-1:30 pm free on Thursday 2nd August.
