Values Award
Daniel
For being a supportive team player who encourages others and who is showing a big improvement in his soccer skills
It is lovely to be back after four weeks spent in Scotland and France. We were not in the cities but lovely small towns where the people were friendly and helpful. We enjoy learning about other cultures and customs and the history of the area we are visiting. Both these countries have plenty to enjoy and it was a treat to spend this time with our daughter who is teaching in Tanzania. She certainly enjoyed a break from high heat and humidity!

I would like to thank Sal for taking on my role for the first two weeks of this term. She always does an amazing job and keeps everything humming along. Her grade ran as usual with Lauren Cronk and Lou Reed continuing their great work in F/1/2P.

Parenting Course
The Yea Community House is currently running a parenting program called Balancing Love & Discipline. It began on the 19th July and the last session is on September 16th from 6pm to 9pm. It is not too late to join. The advice and support from the presenter Marc has always been valued in the past. Parents have also commented on the value of being with other parents and learning and sharing with each other. The course is for parents with children of any age and would be of benefit for parents who would like more strategies to deal with degrees of difficult and challenging behaviours at home.

Passion Projects
It is always enjoyable to listen to our students presenting their work in many various ways. To hear them talking about a book they enjoy and then share with them their follow up work is very rewarding. Parents are very welcome to attend from 11.30am until 1.30pm when all students will be working in multi aged groups, the group lists and venues will be displayed on each classroom door. Thank you for supporting your child to complete this project at home.

Parent Surveys
On Friday 40 families randomly chosen by the computer would have received a white envelope that contained the 2016 Parent Opinion Survey. Thank you to those who have already returned the form sealed in the envelope to the office. We value your input and your responses are compiled by DET in Melbourne and not opened at school. I know you are all very busy but to get valuable data we need all forms returned.

Thanks

Deb
2016 BOÎTE SCHOOLS’ CHORUS

WINDRUSH

MELBOURNE - 3rd August

The annual Boîte Schools’ Chorus returns with over 1000 school children from 55 Victorian schools, giving voice to the tropical sounds of the Caribbean in concerts in Bairnsdale, Ballarat, Albury Wodonga and Melbourne this August and September.

The Boîte Schools Chorus is an un-auditioned choir project for schools and community youth choirs that invites students into a new world through song - building confidence, broadening horizons and developing valuable performance and interpersonal skills along the way.

Since its inception in 2004 the project has involved nearly 8000 students in 27 concerts in Melbourne and throughout regional Victoria.

This year’s concert, Windrush, is led by international musicians, Artistic Director Geoffrey Williams and Choral Director Stella Savvy who work with the teachers and students. Individual school choirs rehearse weekly throughout the term.

Following two combined rehearsals with the band comprising well-known local musicians, the student choirs perform a grand concert in their local area. In Melbourne, over 600 students will perform across the two concerts with approximately 150 school children from Ballarat, Bairnsdale and Albury/Wodonga taking to the stage in their respective regional centres.

Focusing on a different cultural theme each year, this year’s thematic inspiration comes from the personal story of Geoffrey’s parents’ migration from the Caribbean to post war UK. It was the beginning of a mass migration from the Caribbean to the UK that profoundly influenced the cultural and political fabric of England.

When the ex troop ship HMS Windrush left the Caribbean the immigrants onboard would become known as the Windrush Generation. They brought with them the very essence of the Caribbean heralding the emergence of the ska reggae punk infused music, inspiring artists such as Elvis Costello, Sting, The Clash and the Choir’s Geoffrey Williams, who lived in these turbulent times in the UK.

As part of the Windrush program, the children will perform Geoffrey William’s original compositions along with traditional Caribbean and classic Reggae songs such as Rankin’ Full Stop, Police and Thieves and the Bob Marley classic Three Little Birds.

Passion Projects will be on Thursday 28\textsuperscript{th} July

This year Passion Projects will be on books again, all students will be asked to make a presentation about their favourite book; this could be a story book, an author or a non-fiction book or subject. The presentation can take the form of a PowerPoint presentation, a book review or a poster. Students can dress up as a character or as the author but the main goal of the exercise is to speak for no more than 3 minutes about your book. Students have more than 6 weeks to prepare their presentation, and hopefully this could be a winter holidays’ task. This is a fun project that gives students a chance to practice their speaking and listening skills as well as sharing their interests with others.

All students will present a Passion Project of their own choice, the presentation needs to go for about 2 to 3 minutes, and some example topics could be Harry Potter books, a Paul Jennings story, a book about trucks, Australian animal information, science fiction, Australian Explorers. Etc. \textbf{This is a home project}, whilst we love parents to help source materials we would like students to do their own preparation. Each classroom will be covering public speaking skills and I have attached some tips for a great presentation. Public speaking can be challenging for some but a great achievement for all, please support your child with this venture.

Sal Phillips

\textbf{All students will present to parents in multi–age family groups, so keep 11:30-1:30 pm free on Thursday 28\textsuperscript{th} July.}
The NED Show is a character education programme that centres around three important messages that have life long relevance:

Never give up • Encourage others • Do your best*

During the assembly, students will learn about NED’s three messages while enjoying storytelling, magic, humour and yo-yo tricks.

use NEO at Home

• Share a story about never giving up on something that was important to you as a child.
• Be your child’s #1 encourager! Recognise something that your child is trying to be awesome at and applaud their efforts.
• If your child is excelling in a particular area, identify new challenges that will keep them doing their best!

MURRINDINDI
BUSHFIRE MEMORIALS

PRE-DESIGN AND VISIONING WORKSHOPS

Murrindindi Shire Council is happy to announce that CONVIC have been appointed to complete the final stage of the community memorial designs for the bushfires of February 2009 in the Shire of Murrindindi. This follows work done to complete the design brief and consultation with three shortlisted design teams earlier this year. CONVIC was selected based on their wide ranging experience in the design of public installations and their extensive skill and commitment to engaging with communities in a participative design process.

There is an opportunity for all interested community members to be involved in the design process. As the first stage of this design process, the whole community are invited to attend a series of pre-design and visioning workshops to be held in your local community. The workshops will allow the community members an opportunity to share their ideas about what the memorials could be.

Participants are encouraged to share and express their imagination through writing, drawing and making. The design team will then use your ideas, suggestions and inspiration to come up with draft concept designs that will be presented to the community in a follow-up consultation forum. At this stage the community will be asked to review and provide feedback on the draft concept designs. Once community feedback is taken into consideration the designs will be finalised in preparation for the construction of the memorials.

FOOD DONATIONS BOX
Please feel free to donate any non perishable items for our food share program at the Yea Community House. While fresh foods are available on the Community Food Table, non-perishables are also needed and easy for you to donate. There are people living in Australia who do not have enough food to eat. Children go to school without breakfast, families struggle to put enough on the table to go around, and people sleeping rough can’t always get what they need to stay healthy. Donating food items or parcels is a great way of helping out the community and can make a huge difference to an individual or family. The following is a list of suggested non-perishable items to donate:
- Canned meats, beans, stews, vegetables, soups
- Canned fruit & juice
- Breakfast cereal, oats etc
- Peanut butter, vegemite, jam, honey
- Soap, small shampoo & conditioner
- Pasta, rice, cakes & biscuit mixes
- Toilet paper, toothbrushes/paste
- School snacks eg. muesli bars
- Long life milk & cream
- Tissues, personal hygiene products
