Welcome
Fiona Joseph our new Business Manager commenced work at Yea PS on Monday after being introduced to the students and parents who attended Monday morning assembly. Jo continues in her role and we are very lucky that Sue Rowe is able to spend some time with Fiona to share her knowledge of the software program used in Victorian schools. There is a lot to learn about how our school works, people’s names and the many aspects of the Business Managers role at Yea PS.

Couches Required!
Beth and Tereasa are currently reorganising the library area getting rid of the old metal bookshelves and replacing them with shelving that will sit around the edge of the room. We are looking for at least two couches in good condition to put in this area. It is going to look amazing and should be a lovely place for the students to relax and read. Please contact me if you have anything suitable. We would also love to hear from any parents who may be able to volunteer some time to assist in getting the library up and running. This room will now be used for all music sessions and library; we are finding the additional building has given us a lot more flexibility in running additional activities for the students.

Auskick
It was lovely to see the joy on the faces of the boys when they spoke about their experience playing football at Etihad stadium on the weekend. They all had a great time and I’m sure their Auskick coach and families were very proud of them.

100 Day Party
A wonderful celebration for all our Foundation students who celebrated being at school for 100 days. They dressed up and spent the day engaging in many activities that revolved around number. The shared lunch was delicious and the buddies were very happy to be invited.

Gardening
Thank you to Amanda and Chris who have trimmed some trees over the weekend. The students enjoyed carting the limbs to the burning pile during recess and lunchtimes. The garden bed at the front of the school is very weedy. If you can spare some time to weed that would be wonderful.

Passion Projects
Passion Projects are this Thursday 30th August at 11.30 – 1.30pm. The students will be divided into multi age groups and parents are all invited to attend and enjoy hearing about the passions of our students. After the presentations are completed students will be asked to leave their work in the multi-purpose room to be displayed for everyone to enjoy.

Thank you,
Deb

Art Room

In the next few weeks, students in grade 2/3 will be undertaking various weaving projects. We would love to hear from you if you have any of the following to donate to the art room: wool of any colour (small left over balls are helpful), any strips of fabric, lace or binding, a bicycle wheel without the tyre in any condition.
Thank you, Lou Fillmore

**Chicken Chatter Field Trip—Tom’s Paddock**
**When:** Saturday 19th September **Time:** 10am—12pm **Location:** Tom’s Paddock (phone the House for details) **BOOKINGS ESSENTIAL!**
Tom will give the group a tour (1.5—2 hrs) of his property and explain his unique farming system, allowing for question time. Tom’s philosophy is to have contented chickens, producing nutrient dense eggs of the highest quality, which will add value to local restaurants. These pastured eggs are the first truly paddock-rotating, free-roaming egg production system in our area. Tom’s Paddock philosophy of farming is based on a system set up by American farmer, lecturer and writer Joel Salatin. Salatin’s 550-acre farm is featured prominently in Michael Pollan’s book *The Omnivore’s Dilemma* (2008) and the documentary films, *Food, Inc.* and *Fresh.*: His unconventional farming practices have drawn attention from the alternative agriculture community especially those interested in sustainable livestock management.
