Boite Performance
Boite was held this year at the Town Hall in Melbourne. Thirty six students from Yea PS participated and were all wonderful ambassadors for our school. We had many comments before we even left the train in the morning complimenting us on the wonderful behaviour of our students. Many parents attended some travelling on the train and others meeting us at the Town Hall. Louise Fillmore and Jonathan Fisher had supported the students to learn the songs and the movements. The theme was Jamaican with a narrated story that shared the lives and difficulties of a family who last generation were poor in Jamaica. I would like to complement our students who participated on their behaviour but also the dedication they gave to learning the songs and movements. Their performance showed that they had spent many hours practising and the pleasure they received from performing was obvious. This extracurricular activity is valued by this school and we participate every year. It gives many students the opportunity to build their confidence and resilience.

Late arrivals or leaving school early
Please remember to come into the school when you drop your child if it is after 9am. We no longer have the Ipad and it is much quicker filling in the sheet.

Cyber Safety
On Friday 12th August Jane Marks will be discussing with Grade 5 and 6 the importance of using internet programs responsibly. This session has been put together by the Victorian Police. We are very aware of the pitfalls and dangers that can affect youth through inappropriate use and our students will benefit from having this important conversation.

Visiting Artist
On Wednesday 17th August all students in Grades F-5 will enjoy a performance put on by Templestowe College’s Montessori Adolescent Program. This Touring company will perform “Goldilocks and the 33 Bears”, for the F/1/2s, it’s an original work with fifteen fairy tales woven into one story. The Grades 3/4/5s will be seeing “The Story of Jumping Mouse” a native American fable.

Grade 6 Transition
All Grade 6 students who will be attending Yea High School in 2017 have been invited to attend their first transition day on the 17th August.

Thanks, Deb
COMMUNITY FOOD TABLE

The Community Food Table has changed days to every Tuesday and Wednesday - in the foyer of the Yea Library. The fresh produce is free or by donation for anyone who wants it!

We ask people to bring in any garden donations they have to spare. It doesn't matter if it's one lemon or a small bunch of parsley - it's all appreciated by someone who doesn't have it! So drop contributions into the Library foyer on Tuesdays and Wednesdays or to the school office first thing Tues/Wed mornings. Or come along to the food table and grab some things you need... THANKS!

Mad Billy Cart Derby

The students are in the process of building billycarts for a large Murrindindi Community & Interschool billycart derby championship. Through the project the students are learning about design, project management, construction and mechanical operations. The students are also required to nominate a cause they are passionate about so they can research, build awareness and raise money before and during the event.

Look out for the flyer for dates and times. In the meantime we are looking for a few items some of you may have lying around in your sheds. The list includes: BMX wheels, large barrels (any material), white sheets (QB of KB size), sports or small steering wheels x2 and ride on lawn mower front end (steering system).

If you can help with any of these or would like more information please feel free to contact John Leary on 0425 840 999

### FOOD DONATIONS BOX
- Please feel free to donate any non perishable items for our food share program at the Yea Community House. While fresh foods are available on the Community Food Table, non-perishables are also needed and easy for you to donate. There are people living in Australia who do not have enough food to eat. Children go to school without breakfast, families struggle to put enough on the table to go around, and people sleeping rough can’t always get what they need to stay healthy.  
- Donating food items or parcels is a great way of helping out the community and can make a huge difference to an individual or family.  
- The following is a list of suggested non-perishable items to donate:  
  - Canned meats, beans, stews, vegetables, soups  
  - Canned fruit & juice  
  - Breakfast cereal, oats etc  
  - Peanut butter, vegemite, jam, honey  
  - Soap, small shampoo & conditioner  
  - Pasta, rice, cake & biscuit mixes  
  - Toilet paper, toothbrushes/paste  
  - School snacks eg. muesli bars  
  - Long life milk & cream  
  - Tissues, personal hygiene products
