4/5F Declan
- My learning goal is to choose more difficult texts to read.

5/6U Hayden
- My learning goal is to use quotation marks for direct speech and to make sure the first letter is a capital.
Walking Group
The weather is beginning to warm up and the days are longer. Walking group was lovely this week in the late afternoon sun. Everyone is very welcome to join us at 4.30pm at the Railway Reserve. Some younger students ride their bikes which enables parents, grandparents and older siblings to walk or run.

Lunch Orders
Yea PS encourages our students to drink water at school so there are no drinks available on the lunch order form. Some students have been ordering chocolate milk from Café Christie on a Friday. This drink will not be supplied please order only food that is on the lunch order form.

Absences in advance
If you know your child will be absent on a particular day please send a completed yellow slip to school before the day of absence. For example your child has a dentist appointment. Teachers are very busy in the morning and a verbal date of absence from a parent can be not entered on our data system. There are yellow slips available at the office if you have run out. If it is an unplanned day a phone call to school is required. By DET regulations we are required to follow up any unexplained absences to ensure all students are accounted for. Your cooperation would be most appreciated.

Bus Travellers
At times friends of bus travellers are required to travel on the bus. If your child is going to travel to friend’s on the bus we need to have this information at least the day before so that the coordinators at Yea HS can be informed. Some buses are very full and travel may not be possible.

Kinder Transition for Foundation students 2017
We are looking forward to our first transition session next Monday at 9am until 11am. If children are enrolled for 2017 they are able to stay without a parent or carer. The transition sessions are very important for these children as it gives them a sense of belonging and confidence about where they will be attending school in 2017. During the morning session they will need a fruit or vegetable snack to keep them going until collection at 11am.

Thanks

Deb
**Mad Billy Cart Derby**

The students are in the process of building billycarts for a large Murrindindi Community & Interschool billycart derby championship. Through the project the students are learning about design, project management, construction and mechanical operations. The students are also required to nominate a cause they are passionate about so they can research, build awareness and raise money before and during the event. Look out for the flyer for dates and times. In the meantime we are looking for a few items some of you may have lying around in your sheds. The list includes: BMX wheels, large barrels (any material), white sheets (QB of KB size), sports or small steering wheels x2 and ride on lawn mower front end (steering system). If you can help with any of these or would like more information please feel free to contact John Leary on 0425 840 999.

---

**Boite Schools Chorus**

Those who attended the Boite Concert a few weeks ago will know that the student narrating came directly from a picture book by Katherine Orr, My Grandpa and the Sea. Thanks to Therese Aldous and her generous donation, our school now has a copy of the book in our school library. This book shares the true story of a fisherman on the island of St. Lucia and is even more special because there have only been a limited number of copies printed around the world.

---

**Values Award**

Declan

For being helpful and offering to clean up after the 100 Day party!

FOOD DONATIONS BOX
Please feel free to donate any non-perishable items for our food share program at the Yea Community House. While fresh foods are available in the Community Food Table, non-perishables are also needed and easy for you to donate. There are people living in Australia who do not have enough food to eat. Children go to school without breakfast, families struggle to put enough on the table to go around, and people sleeping rough can’t always get what they need to stay healthy.
Donating food items or parcels is a great way of helping out the community and can make a huge difference to an individual or family. The following is a list of suggested non-perishable items to donate:

- Canned meats, beans, stews, vegetables, soups
- Canned fruit & juice
- Breakfast cereal, oats etc
- Peanut butter, vegemite, jam, honey
- Soap, small shampoo & conditioner
- Pasta, rice, cake & biscuit mixes
- Toilet paper, toothbrushes/paste
- School snacks eg. muesli bars
- Long life milk & cream
- Tissues, personal hygiene products

Term 3: 11 July to 16 Sept
