Father’s Day Stall
Thank you to the parents who ran the Father’s Day Stall today. The students were all very pleased to be able to buy a great gift for their father or significant male in their life. The prices were so reasonable and the choice of gifts was amazing. Happy Father’s Day to all our fathers, I’m sure they will be spoilt on Sunday.

Sporting Schools
Terry has continued to run Sporting Schools this term with at least twenty students each Monday and Friday enjoying soccer and developing their skills. We have now been able to secure funding to continue Sporting Schools in Term 4, sorry for the confusion. We are being supported by Melbourne City Football (soccer) Club so soccer will continue on Monday’s at 3.15pm and Friday’s during lunchtime. Please remember that pick up time is at 4.30 pm on Monday and every child needs to bring a snack to eat after school.

Kids Teaching Kids
Kids Teaching Kids is always a great day and we are looking forward to our students presenting their work at the Wetlands Reserve on Monday 5th September. Tracey is very proud of the work they have put together about “The Human Footprint.” The students have put together two games, a song, a story, quiz, posters and many models that show what happens when humans affect our environment by littering, logging and waste. Everyone is welcome!

New Carpet
On Wednesday 14th September we will be laying new carpet squares in the multipurpose room, Grade 5/6 classroom and the wall of the Art Room to reduce the sound level. After a two hour lesson with Tim from Mc Mats carpet company, parents will take over and finish the job. We need helpers to remove old carpet before the 14th and help lay new carpet squares on the 14th. Please give us a hand!

Cluster Athletics
Students who qualified to participate in the Cluster Athletics will travel to Leckie Park in Alexandra next Tuesday 13th September. Thank you Deb Male who has organised the tryouts and Lou Fillmore for coaching the students during recent Phys Ed sessions.

Shopping Tour
The shopping trip on the 15th October is a terrific fundraising opportunity for the school. We are so reliant upon school fundraising and desperately need people to get behind this Shopping Tour to support the school. Numbers and payment of $50.00 for the bus are required by end of term to secure the hostess and the bus for the day. Please invite along friends and family to attend and support the school. We will also send an electronic version home via email with today’s newsletter. Please feel free to forward this on to family and friends to help spread the word!

Thanks

Green Literacy Group Book Launch
Monday 5th September 9.30am after assembly for about 20-30 minutes in the Green Literacy Room.
All parents, grandparents and friends are welcome.

The Lunch Club
Starting next week the Lunch Club will be running again! The grade 5/6’s will be cooking lunch for 1 or 2 grades each week. The classes it will be offered to will change each week. The food will be freshly made by the 5/6 class and as much as possible will use ingredients from the school garden.

Notes will be sent home the week before for students to order. The lunches will vary between soups, pasta dishes and rolls - depending on what’s available, and we will be aiming to keep the costs between $3.00 - $5.00. Money raised will buy ingredients for the lunches plus support the garden.

The first few meals we are expecting to make will be a pesto pasta and a pumpkin soup from the garden - so stay tuned for yummy lunches!
