F/2B Alanah
• My learning goal is to have a go at writing my own sentence.

2S Sienna
• My learning goal is to learn my 5 x tables off by heart.

3M Riley
• My learning goal is to learn my 3 x tables.

4/5F Stephen
• My learning goal is to learn my 3 x tables off by heart.

5/6U Luke
• My learning goal is to edit my writing to correct and fix my capital H’s and D’s.
This term has been extremely busy with usual school activities and many additional opportunities for the students to extend their knowledge and experiences. We have also had many students, parents and teachers ill with a particularly nasty bug that seems to last for many days. Hopefully a restful and warm Spring break will break the bug cycle and next term will be easier for all!

**Shopping Tour**

Jo Dignam has put together a varied shopping program for the 15th October. Thank you to all those who have shown an interest in attending, we look forward to having a productive and fun day. Seats are still available on the bus.

**New Carpet**

We have purchased carpet squares for the multipurpose and Grade 5/6 room, also wall carpet tiles for the Art Room to make the room a bit quieter. These will be laid by the end of term. If you are able to help with laying the carpet squares on the 14th September please contact me at school.

**Grade 2 EXPO**

Grade 2 will be holding their EXPO for Term 3 on the 16th September from 9.30 to 11am. They are all very excited to share their work and as always love it when parents, friends and family attend the EXPO.

**Kinder Transition**

The next formal transition day for Kinder students is on the 12th September at 9 – 11.30am. The children will need to bring some morning tea and a fruit or vegetable snack. They are all very keen to stay for play time and enjoy sharing the grounds with our students.

**Cluster Athletics**

The Cluster Athletic competition will be held next Tuesday 13th September at Leckie Park in Alexandra. The students will be taken over by bus and all families are very welcome to attend and support their children and the others in our team. We are still waiting to find out if there will be a sausage sizzle, drinks and cost!

**Skipping Team**

The Senior Skipping Team will be demonstrating their skills at Kinglake Middle PS on Wednesday 14th September. The Jump Off for this year will be held at Yea PS on the 15th September.

This will be our last newsletter for this term. I wish all our families and staff a restful holiday and look forward to working with you in Term 4

**Thanks**

Deb

---

Friday 16th September is Footy Day. Dress up in your favourite team’s colours and bring a gold coin donation for charity.
**PMP for F/1/2**

Unfortunately we will not be running the last PMP session for the term, on Monday 12th September, because of the re-carpeting works that will be taking place in the multi purpose room that week. Parent helpers that would’ve been helping with PMP on that day are more than welcome to come and join in on our PE session outside.

---

**Boîte Choir**

Do you have any photos from the Boîte Choir concert day that you would be happy to pass on to Miss Fillmore?

The photos can be of the concert group or individuals and can be passed on via email fillmore.louise.a@edumail.vic.gov.au or USB stick.

Thank you

---

**Wool Wanted**

Wool suitable for pom-pom creations wanted for Thursday Art Group.

All donations warmly accepted.

Esther c/- F/1/2

---

**School Holiday fun at Y Water Centre**

Do your children get bored on the holidays? Do you have grandchildren visiting? Why not come along to the Y Water Discovery Centre and participate in the environmental and water activities on offer over these holidays. **Wednesday 21st & Wednesday 28th September from 10-11.30am.** Activities are suitable for primary school aged children and entry is by gold coin donation. Bookings are essential please so either ring the YWDC 57972663 or call in to book.

---

**Lunch Club**

Starting next week the Lunch Club will be running again! The grade 5/6's will be cooking lunch for 1 or 2 grades each week. The classes it will be offered to will change each week. The food will be freshly made by the 5/6 class and as much as possible will use ingredients from the school garden.

Notes will be sent home the week before for students to order. The lunches will vary between soups, pasta dishes and rolls - depending on what's available, and we will be aiming to keep the costs between $3.00-$5.00. Money raised will buy ingredients for the lunches plus support the garden.

The first few meals we are expecting to make will be a pesto pasta and a pumpkin soup from the garden - so stay tuned for yummy lunches!

Zanni and the Grade 5/6's...

Mad Billy Cart Derby

The students are in the process of building billycarts for a large Murrindindi Community & Interschool billycart derby championship. Through the project the students are learning about design, project management, construction and mechanical operations. The students are also required to nominate a cause they are passionate about so they can research, build awareness and raise money before and during the event. Look out for the flyer for dates and times. In the meantime we are looking for a few items some of you may have lying around in your sheds.

The list includes:
BMX wheels, large barrels (any material), white sheets (QB of KB size), sports or small steering wheels x2 and ride on lawn mower front end (steering system).
If you can help with any of these or would like more information please feel free to contact John Leary on 0425 840 999
