## **Maths Night**

All families are invited to a Maths Night at school tonight from 6 to 7pm. Some students will be demonstrating games that they enjoy in the classroom that support their maths understanding and many other skills that are required when playing games.

## **Regional Athletics**

Congratulations to Chloe Butterworth who came 5<sup>th</sup> in discus at the Regional Athletics held in Albury last Friday.

## **Bravehearts**

Prep to grade 2 students were to participate in a Bravehearts session last Wednesday, unfortunately, this was postponed until the 12<sup>th</sup> December.

This program is about keeping safe and understanding danger. By teaching the students the principles of personal safety, we are giving them the knowledge they need to stay safe and know what to do if anything does happen.

This is an opt out program, currently I haven't received any contact from families who do not want their child to attend. Please contact me if you would like your child excluded from the program in December.

## **Parenting Course**

On Tuesday 15<sup>th</sup> October, Marc De Landes facilitated the first session for an 8 week parenting course. Marc is happy for parents to commence the course up to week 4. He is a wonderful advocate for parents and I strongly advise parents to make the most of his expertise. Contact 57354600 to register your attendance.

## **ELF Day**

All the students from Yea PS, Flowerdale PS and Sacred Heart enjoyed ELF Day on the 16<sup>th</sup> October. Sal and a small committee spent many hours sourcing readers and books that would engage the students. The outfits were amazing; there are many creative students and parents in our community!

## **Walk to School**

Thursday 17<sup>th</sup> October was a miserable drizzly morning, some students, staff and parents braved the conditions to walk to school from the rotunda behind the Yea Pool.

On Thursday 24<sup>th</sup> October, to encourage healthy food choices, Miss Muir has organised a healthy eating session on the 24<sup>th</sup> October.

## **Transition – Grade 6**

All grade 6 students who enrolled at Yea HS for 2020 will be spending a full day's transition on the 23<sup>rd</sup> October.

## **Transition - Kinder**

All Kinder students are invited to attend another transition day on Monday 28<sup>th</sup> October from 9.30 to 11.30am. They will need to bring a fruit or vegetable snack and some morning tea.

## **Grade structure for 2020**
