Young Leaders Day was fantastic there were four main speakers Nathan Want, Dylan Parker, Harry Baker and Kate Austin. They were all very different young people and had some insightful thoughts about leadership. The theme was “MASTER THE LITTLE” and they all spoke about how little things add up and how change is made over time. Each speaker had lots of setbacks and acknowledged that leadership was often hard but to never give up. Harry Baker talked about the importance of believing in yourself, having courage, caring for others and always considering other people in everything that you do. Brea, Austen, Olivia and Declan spoke at assembly on Monday and it was great that they could acknowledged that they had learnt a lot about leadership. A very valuable day thank you to Deb and Amanda who did the car runs to Seymour Station.

Sporting Schools
On Monday the last swimming session for Sporting Schools was held at the Yea Pool. The students have really enjoyed going to the pool and Terry has done a great job extending their swimming and water safety skills. Thanks to Deb for preparing afternoon tea and Christie for walking the students to the pool with Terry. Next term table tennis will be the activity on Monday after school and Friday at lunchtime. The students have already been practising and the full size tables will be used next term.
